

## Inglorious Geeks - Episode 6

### 1) Greetings

### 2) Jason's Corner

- Blizzard's blue posts
  - Pre-expansion Patch - These will be available for immediate access when the patch drops probably this Tuesday.
    - New Transmogrification Collection System drops
    - Class Updates - significant changes to classes and their specs are happening.
      - Switching between specializations is easier.
      - You can queue as any role you have available for your class.
  - Weeks after the Pre-expansion patch we'll see the burning legion invasions happening @ a lots of areas.
  - Weeks before launch the Demon Hunter class will be available.
  - We'll get to do a few things at Broken Shore it sounds like before the expansion drops.
  - When the expansion drops:
    - Ahead of the Curve and Cutting Edge for the Black Gate will be removed. You need to start the legendary quest line now and be on part 2 when the patch drops otherwise it'll be unavailable and you won't be able to start it. The quest line will be removed once the expansion drops.
    - Grove warden is being removed.
    - Mythic mounts are also being switched to rare drops.
    - The Draenor Mythic dungeon boss Heirloom trinkets that scale to lvl110 will be removed once the expansion drops.
