

Inglorious Geeks - Episode 9

1) Greetings

2) Jason's Corner

- Blizzard's blue posts
 - New personal loot rules allow you to trade an item to another person if you have equivalent or higher ilvl. Bonus rolled loot excluded.
 - Patch 7.1 will disallow unit position in raids, dungeons and competitive instances so no /range any longer. This also means the helpful arrows that try to help will be borked as well.
 - Rare mobs in dungeons part of the world quest system should be rewarding to all even if you don't have access to the world quest yet.
 - Best loot from Mythic+ dungeons comes from weekly chest.
 - Loot from Mythic+ will need a good bit of luck to beat best loot in game.
 - Mythic+ dungeons are cross-realm so probably required 3 of 5 people to get realm first achievement.
 - Most dungeons should have 3-5 bosses and take around 15-20 minutes to complete with a max of 35-40 minutes on larger epic dungeons.
 - Tier set tokens will work the same way as in Warlords.
 - Tokens for tier drop in non personal settings.
 - You shouldn't regret what you spend your artifact power on.
 - Karazhan dungeon has been updated with cool stuff that will blow people's minds. More hype for recycled content?
 - Karazhan coming back as a 5 player dungeon with all nine bosses.
- Cool video on forging a real life Doomhammer
