

Inglorious Geeks - Episode 11

1) Greetings

2) Jason's Corner

- Blizzard blue posts
 - New expansion brings new PC system requirements. MMO-Champion has the [Build of the Month](#) which gives you different levels of builds and you can mix and match between them.
 - Darkmoon Faire returns this week giving us 2x 10% rep and experience gains by just riding the carousel and buying and using the darkmoon top hat buff. Inscriptionists can also pick up the Darkmoon Card recipes which are 815 trinkets.
 - PAX West Legion Panel
 - Patch 7.1 will probably be on PTR in the next couple weeks.
 - Karazhan is in patch 7.1 and will be slightly more challenging than five player Mythic dungeons with weekly lockout.
 - WoW companion app will let you do missions and see world quests. Looks like you can manage troops and champion equipment from app. Have to be logged out of the game to use the app.
 - Trial of Valor has three bosses which will be between the 2 announced raids.
 - Suramar will have 9 weeks of weekly quests.
- Talking about our WoW experiences
