Fear itself Mishawaka Indiana

Cockoo's Nest: Take a bone chilling walk through the most sadistic, most terrifying, insane asylum anywhere. The Indiana Sanitarium, known to locals as the Cuckoo's Nest. Notorious Nurse Hatchet and her staff have total control of the patients. The locals and even state officials. Their Horrific experiments and practices make this one of the most dangerous places anywhere.

Sinister Circus: It's the largest dark circus on earth. Featuring The longest spinning tunnel in the world, the longest claustrophobia in the world, largest living dot room in the world, plus more sinister clowns than any other attraction...anywhere...

13Th Hour 4D Amazement: unlike any attraction in the entire industry. Amazing 3 D art, a spectrum of theatrical lighting outstanding special effects, spectacular Hollywood set design. Don't miss this mystifying journey of the imagination!

Rock Monkey Caves: They're dark and dreary, and extremely dangerous. Catacombs, caverns and caves filled with the most treacherous, most feared beasts anywhere, rock monkeys. These monsters have razor sharp teeth, nails of metal, and bones that are hard as rock. Their lightning speed and piercing, screeching noises horrify every other animal on the planet. IF you dare to explore these caves, don't plan to be back home any time soon. In fact, no need to make plans to be back at all.

Lost in the Woods: time ta take a lil ole walk in dem dare legend woods, but jes to be fair we gots ta tell ya dese woods, well, day be dack as a rattle snakes eyes, but come on in! Ya gonna find a real nice swampy marsh, an vines dat can reach out dare and grab ya by da neck! Day be comin alive right be fo ya very eyes. But dat ain't nuttin! Wait til ya all meet da creatures from down yonder. Ya got snort, yer pig boy, an course hack, the ax man, and dontcha f'get dem tree people. No siree, dontcha eva wanna f'get dem fellas. We reckon you all is gonna have da time of ya life in dese woods...just memba...fo ya all head off inta dem dare woods, ya was a given plenny a fair warnin! Best a luck to ya, oh yea, ya all come back now, ya hea!

Dates and hours to be announced!

## Indiana Fear Fair

### Seymour Indiana

50,000+ square foot walk through your deepest fears. Their incredibly detailed sets, state of the art animatronics, and aggressive actors in movie quality costumes and makeup deliver a heart pounding thrill ride through your darkest nightmoares. New for this year, The Ascension is a macabre mashup of Fallout, Mad Max, and Frankenstein's Army. It's a little bit sci-fi, a little bit retro, and a whole lot terrifying! Fear Fair also gives you an elaborate New Orleans voodoo experience. You will experience the seedy end of Bourbon Street, a menacing gator infested swamp, and an absolutely massive above ground cemetery.

If you're a fan of zombies, we've got you covered there too! Zombie City is a full scale block swarming with the undead. If you escape that alive, you will face Pyramid Head and the rest of the inhabitants of Silent Hill. Our nurses alluring and lethal at the same time. Open Fridays and Saturdays 8 pm to 1 am, and Sndays 8 pm to 10 pm Starting September 23rd through Monday October 31st. Note: Open Monday October 31st from 8 pm to 10 pm

Soul takers acres

Warsaw, In

The Native Americans had a name for him, Wanetaqua. This meant taker of life. The early settler's who came to the lakes region soon became all too aware of his thirst for new souls as he added them to his diet. Each fall when the Autumn moon came full the Soul Taker would rise up from the bowels of the earth and stalk unsuspecting victims and return them to his netherworld kingdom deep below the lakes of northern Indiana. Now he is back and he is looking for new victims to claim!

Starting Friday September 30<sup>th</sup>, Friday nights 8 pm to 11 pm and Saturday nights 8 pm to midnight. Not open on Halloween!

\$10.00 though a limited number of VIP Fast passes are available each night to bypass the line for just \$15.00

Soul takers acres haunted attraction is not recommended for younger or impressionable children or individual with heart conditions.

Edge of Insanity Haunted Attraction

In the quiet farm country on the outskirts of small town Indiana, not everything is what it seems. Here, in what used to be acres of farmland, remain the vestiges of what was once a privately owned and operated asylum. What horrors were committed in the name of science? Only Dr. Weitle knows, these secrets he took to the grave with him long, long ago. But, during the season of the All Hallow's Eve when the spirits of the tormented are free to roam the earth, the abandoned asylum comes alive with activity. It is said that the spirit of the doctor returns to continue his unspeakable experiments on his erstwhile patients

Every Saturday and Sunday in October! 1,2,8,9,15,16,22,23,29,30th! 8 pm to 11 pm Kokomo Indiana

10\$ donation admission fee
