i++) World of Warcraft with Jason

- Blue posts are hinting that not all 7.0 secrets have been found and they hinted that it's not in the ocean.
- There will be an ilvl 850 mission for Karazhan but isn't required to run Kara. Just bonus lootz. Attunement will be an account wide unlock.
- Oct. 25th is patch 7.1!!! Trial of Valor will be released 2 weeks after the patch is launched. (After Blizzcon)
- Developer Talk with Ion Hazzikostas
 - Expect more class changes before patch 7.1.
 - Barrage angles and trajectories review..
 - Frost mage buffed to be best mage spec.
 - Emerald Dream Xavius wasn't tuned how they'd like. They wanted 80-100 tries to take him down. Exorsus took him down in 12 hours. Cenarius was harder.
 - They feel team should have implemented bad luck protection in legendaries as it currently is random.
 - Hidden world appearances. Fury warrior appearance being on a world boss is concerning. Hunter being on a vendor was just to give a non-gun option.
 - Looking into Emerald Nightmare raid trinkets that aren't as powerful as they should be.
