i++) World of Warcraft with Jason

- Patch 7.1 is released this Tuesday. Blizzard has released a video to explain patch 7.1. They also make mention of new world quest, the upgraded Nagrand arena and more Illidan story line.
- Darkmoon Faire will have a new aquatic mount that looks like a sting ray, darkmoon faire style.
- New Rockspine Basilisk will be available in the new patch. Looks like a green/tan version of the basilisks we fight in Suramar.
- New cooler manasaber mount called Arcanist's Manasaber will be available after finishing quests that'll be released each week for nine weeks.
- You'll notice new raptors invading the coast lines which lead to new world quests and items for cooking and healing. There may be a new raptor mount available.
- New rare pets! Bosses from Ulduar, Trial of the Crusader, and Icecrown Citadel will have rare pets for us.
- Trial of Valor - Released 11/8
  - LFR: 840+
  - Normal: 855+
  - Heroic: 870+
  - Mythic: 885+
- Hidden Boss - Endgineer Omegaplugg - Requires group and drops Vial of Green Goo toy that'll turn you into a leper gnome.
