

Inglorious Geeks - Episode 22

Var i = 0;

i++) Greetings

i++) World of Warcraft with Jason

- Gratz to Method for World First Mythic Helya & Trial of Valor Clear
- Patch 7.1.5
 - Patch 7.1.5 will have significant changes to many specializations. PTR seems to have brought some confusion for some but they're only halfway through the intended # of changes so mechanics should be worked out before patch release.
 - Brawler's Guild is coming back with new achievements. A rumble mode where everyone in the queue fights a boss. New Challenge Card like Seagull "The Real End Boss" (Maybe an ingame joke playing off Seagull a very good Genji player). You'll also have Brawler's Gold which can be used to purchase buff items. There's also a mount, Rockspine Basilisk, and a battle pet Tylarr Gronnden. Also shirts.
 - New Spell animations
 - New artifact knowledge catch up mechanism for alts where you can turn in 500 order resources for 1 artifact research synopsis which does the same as research. Tooltip says it works up to 15 though on PTR it's only up to 10 which might just be a bug. Bonus rolls will also have a chance to grant Artifact Power.
- New Micro-Holiday and World Events
 - Feast of Winter Veil (December 16 - January 2)
 - Disposable Winter Veil Suits - complete suits that are red & green
 - 2016 Winter Veil Gift is Endothermic Blaster - Snow blower you can use on friends and enemies? "It's A-Mei-Zing!" another Overwatch joke. And gives you an achievement for getting it.
 - Diablo 20th Anniversary (January 4th - 11th)
 - Toy Twelve-String Guitar & 28 slot bag Horadric Satchel
 - Diablo-style charms that grant stats and don't need to be equipped: 150 Armor, 100 Agility, 100 Strength or Increase Mana by 2000
 - Call of the Scarab (January 21 - 23)
 - This celebrates the opening of Ahn'Qiraj and is a supplies gathering and Twilight/Qiraji forces slaying race with the faction that does the most getting to fly their banner next to the Scarab Gong for the rest for the rest of the year.
 - Twilight Cultist disguises and some summoning items are returning as well as the NPCs from the classic WoW, Master Sergeant Fizzlebot & Field Marshal Snowfall.
 - Lunar Festival (January 21 - February 4)
 - New toys which are a Dragon Head Costume and Dragon Tail Costume for 25 Coins of Ancestry and Dragon Body Costume for 10

Coins of Ancestry. You and your friends can now all form one big Chinese dragon. Now you can be the butt of the jokes.

- Tavern Crawl (January 31)
 - You're pub crawling through Azeroth wearing interesting hats, portaling "Last Call" spell, to the next tavern. There may be a chance to gain the appearance of one of the rare helms during this holiday.
- February has Love in the Air & Hatching of the Hippogryphs.
- April has March of the Tadpoles, Noblegarden & Volunteer Guard Day.
- May has Children's Week, Spring Balloon Festival & Glowcap Festival.
- June has Thousand Boat Bash & Midsummer Fire Festival.
- August has changes for Un'Goro Madness.
