i++) World of Warcraft with Jason

- Feast of Winter Veil started this weekend. Don't forget to get your Endothermic Blaster this year as well as the Crashin' Thrashin' Flamer Controller/Red Wooden Sled on or after the 25th.
  - There's also a Miniature Winter Veil Tree dagger (ilvl 835) which is a chance drop after doing the daily quest.
  - The daily quest killing the Abominable Greench levels to your character so you can do him on any toon.
  - The Lump of Coal companion is a random chance and only non guaranteed drop.
  - Greatfather Winter now comes down a mountain hourly near 50,79 at the top of the mountain, rides down, granting 500 Order Resources if you're near him.
- Patch 7.1.5 & Nighthold will be released independently.
- Legendary items in Patch 7.1.15 PTR look like most are getting nerfed.
- Balloon Festival???? WTF? For RP servers?
